

WAL-MART REUSE *Crossings*

East Dundee Location Assets Development Opportunities Area Demographics Business & Employment Transportation/Utilities

The site of the existing Wal-Mart located at the southeast corner of Dundee Crossings will be available for development in mid-2008. The community's vision for the site includes retailers and office users poised to capture the benefits of increased activity in Dundee Crossings and increasing traffic counts.

Interested parties, retailers and developers are encouraged to contact Vandewalle and Associates (608) 255-3988 or the East Dundee Village Administrator at (847) 426-2822 for more information.
